**Emerald Roofing has been awarded the contract for the re-coating of the existing roofs in your community. As the contractor we will make every effort to keep the work of the construction as clean and quite as possible. However, owing the very nature of this project, dust and noise will be generated. The contractor is required by this contract to exercise all due care in the course of this work. Homeowners can therefore expect temporary disruption of the use of there driveways during the time of the re-coating process on there building.**

**Thank you**
